Editors’ commentary
83 Highlights from this issue
P Smith, G N Fuller

Editorials
85 Brainstem or entire brain-based declaration of death: is there a difference?
P N Varelas
87 Management of spontaneous intracranial hypotension
A Tyagi

Reviews
89 Effects of coffee/caffeine on brain health and disease: What should I tell my patients?
A Nehlig
96 Mimics and chameleons of optic neuritis
D Weerasinghe, C Lueck
111 When the face says it all: dysmorphology in identifying syndromic causes of epilepsy
A Dixit, M Suri

What to do when...
122 What to do when people with Parkinson’s disease cannot take their usual oral medications
J Alty, J Robson, P Duggan-Carter, S Jamieson

How to do it
129 Confirmation of brainstem death
E J Cameron, A Bellini, M S Damian, D P Breen

Neurological rarities
136 Capnocytophaga canimorsus meningitis diagnosed by 16S rRNA PCR
T M J Beerink, P C Wever, M H A Hermans, M G T Bartholomeus
139 Toscana virus encephalitis following a holiday in Sicily
J C Osborne, E Khatamzas, A Mishbahuddin, R Hart, A Sivaramakrishnan, D P Breen

Neurological sign
142 Auditory hallucination in basilar occlusion: I heard it was the basilar
S M Yap, G Wyse, J N P Higgins, E O’Brien, S Cronin

A difficult case
146 Complicated spontaneous intracranial hypotension treated with intrathecal saline infusion
C D Stephen, R Rojas, V-A Lioutas, E Papavassiliou, D K Simon

Test yourself
153 A wolf in sheep’s clothing
R Lewis, T Jenkins, S Wharton, E Lorenz, G Rao, R Stevens, M Hadjivassiliou, D Blackburn

Image of the moment
157 Laying on the cause of stroke?
E Norby, J Zachariah, E F M Wijdicks
160 Extracorporeal membrane oxygenation-related brain haemorrhages
J Witherick, K Redler, B R Wakerley

Me and my neurological illness
162 Autoimmune limbic encephalitis due to VGKC-Ab.
Thanks for the memory, Leo Robin (Title of song, 1937)
J Morrow

Neurological letter from
166 Neurological letter from Italy
V Gnoni

Book club
170 Being Mortal
C Morgan, K Harding

ABN news
171 ABN news
K Talbot, J Lawrence

Carpology
172 Carpology by A Fo Ben
