Editors’ commentary
157 Highlights from this issue
P Smith, G N Fuller

Editorial
158 Emergency stenting for acute symptomatic carotid stenosis: dissecting the evidence
D J Werring, F J Robertson

Reviews
160 Venous thromboembolic event prevention in acute stroke: update on evidence and recommendations
J Anderson
164 The progressive myoclonic epilepsies
N Malek, W Stewart, J Greene
172 Concussion is confusing us all
D J Sharp, P O Jenkins
187 A practical approach to the genetic neuropathies
A M Rossor, M R B Evans, M M Reilly

Clinical guidelines
199 Myasthenia gravis: Association of British Neurologists’ management guidelines
J Sussman, M E Farrugia, P Maddison, M Hill, M I Leite, D Hilton-Jones

Neurological rarities
207 Whippets, nitrous oxide and the dangers of legal highs
A G Thompson, M I Leite, M P Lunn, D L H Bennett

A difficult case
210 Cauda equina syndrome due to intravascular lymphoma: diagnosis by nasal biopsy
N T H Colchester, C S Barker, S Jogai, H A Katifi

214 Toxic cerebellar syndrome due to methotrexate
O Kinzel, R K Verma, R Wiest, H P Mantle

216 Carotid artery dissection treated with stenting after anticoagulation failure
D Korya, D Jeck, J LaWall

218 Recurrent amaurosis fugax and hemichorea: limb-shaking TIA
E T Littleton, N Glover, A Tiwari

Neuroimaging
221 Kernohan’s notch
J L C Velasquez, E R Sanz, S S Lasaosa, J L del Val

222 Hemichorea–hemiballism: a case report
B Patel, Z R Ladva, U Khan

Image of the moment
224 Sudden asymmetric bilateral ptosis as stroke onset
R López-Blanco, Y Ivánovic-Barbeito, A Villarejo-Galende, C Sánchez-Sánchez, J Díaz-Guzmán

226 Impulse control disorder manifesting as hidden sexual self-injury
S Brady, P Duffey

227 Multifocal tuberculous osteomyelitis
T Hayat, T O’Shaughnessy

228 Spinal cord tumour misdiagnosed as seropositive neuromyelitis optica spectrum disorder
D Buch, C Dehais, J Savatovsky, K Mokhtari, O Gout, R Marignier, R Deschamps

230 Large basilar tip aneurysm causing anterior internuclear ophthalmoplegia
S A Khan, M Brooks, D E Crompton

Neurological letter from...
231 Down Under: confessions of a vagrant registrar
C J Carswell

Neurological sign
233 The menace reflex
W J C van Ballegoij, P J Koehler, B C T Meulen

Test yourself
236 Stumbling towards a diagnosis
B R Wakerley, E P Wilder-Smith, N Yuki

Book club
241 The Diving-Bell and the Butterfly
G Ingram

Carphology
242 Carphology by A Fo Ben
