Muscle biopsy of tibialis anterior.

How to understand it

392 Palinopsia
S Schimansky, L Bennetto, R Harrison

Neurological rarities

396 Neurology and the histiocytoses: a case of Rosai-Dorfman-Destombes disease
A S Carroll, C M Doherty, J Blake, S J Hunt, C Hoskote, F McNicholl, R Phadke, O Sheehy, F D Bremner, S D Sa, C McNamara, M M Reilly

ABN News

444 ABN news
A Wright-Parkes, L Kinton

Carphology

442 Carphology
A F Ben

Test yourself

435 Rapidly progressive dementia in an elderly man
L Chishima, M M Mataa, K Yumbe-Zimba, M Chomba, S Zimba, K Sikakeka, M Auskile, R Nakazwe, S Fwoloshi, D Saylor

Clinicopathological conference

427 Chronic meningitis, seizures and myoclonus
J J McDonald, M Jones, C Smith, P L Foley, L Lee, R Davenport

How to do it

376 Multidisciplinary team meetings: the epilepsy experience
J S Duncan

How to do it

381 Testing for syphilis
M Kemp, M Kingston

How to do it

385 End-of-life care of people with long-term neurological conditions
K Nair, M Lee, E Hobson, D Oliver, E Husbands

Image of the moment

422 Neurogenic muscle hypertrophy following L5 motor radiculopathy
M C McKenna, E McGovern, M Farrell, R P Kileen, C McGuigan, S Connolly

Editorial

342 Rapidly progressive dementia: limitations in Africa
W P Howlett

Reviews

344 Multiple sclerosis and the risk of infection: Association of British Neurologists consensus guideline
M Cauchi, M Willis, A Andrews, M Backx, W Brownlee, H L Ford, B Gran, S Jolles, S Price, W Rashed, K Schmiere, E C Tallantyre

Highlights from this issue

341 Editors’ commentary
P E Smith, G N Fuller

418 Late-onset cobalamin C disease: rare but treatable
A Aliyar, M Endrakanti, R K Singh, A Elavaras, N Gupta, D Vibha, M Tripathi

A difficult case

415 Osmotic demyelination syndrome despite appropriate gradual correction of moderate hyponatraemia
P T Murphy, S Auger, A Nandoskar

407 Myotic aneurysm

413 Oculopharyngeal muscular dystrophy coexisting with myasthenia gravis
A L Alungalese, M A García Soldevilla, R Gordo Mañas, M B Vidal Díaz

438 Letter from the Isle of Man
R M Bracwell

407 Myotic aneurysm

410 Sickle cell disease and fat embolism: a rare complication of vaso-occlusive crisis
A G Filippatou, M Naveed, D P Barry, S R Deboer, C J Haas

418 Late-onset cobalamin C disease: rare but treatable
A Aliyar, M Endrakanti, R K Singh, A Elavaras, N Gupta, D Vibha, M Tripathi

422 Neurogenic muscle hypertrophy following L5 motor radiculopathy
